

Fact Sheet

Experience the Magic

Located on a private 9-mile stretch of the Zambezi river, in 136 000 acres of pristine African wilderness, Matetsi Victoria Falls is an idyllic five-star retreat that provides the ideal base from which to visit the world's largest waterfall. A sense of freedom, space to breathe and a truly restorative experience are hallmarks of a stay at our family-owned property, which offers the ideal combination of safari, river, relaxation and the falls all-in-one. Guests, accompanied by experienced, conservation-minded guides, can explore the wildlife-rich area by foot, luxury safari vehicle or boat, taking in the sight of great herds of elephants and buffaloes, prides of lions and a range of other predators and plains game.

While the superb location, beautifully designed lodge and understated luxury are generally the initial drawcards, it's the feel of Matetsi, its indelible magic, that our guests love most. Our extraordinary team, including talented chefs, butlers and guides, truly elevate the experience here.

What makes Matetsi Magic?

- 9 miles (15 km) of private Zambezi River frontage
- 136 000 acres (55 000 hectares) of private wildlife concession - home to four of the Big Five
- Easy access to Victoria Falls
- Private airstrip and helipad on property
- Exclusive land-based safaris such as game drives (including night drives), walking safaris and birdwatching
- Variety of water-based activities such as canoeing, fishing and boat excursions (including sunrise and sunset cruises)
- Passionate safari guides, assisted by sharp-eyed trackers
- Superb local hospitality with personal butler service
- Excellent showcase of the cultural heritage of Zimbabwe
- Safari boutique, fitness centre, massage sala, wine cellar, lap pool and a library
- World-class and varied dining experiences
